

TOYOTA VALUE+

Exclusions & Disclosures

- I. Vehicles must be serviced at the correct intervals of 5,000Km (including a first service after 1,000Km)
- II. Covers only necessary replacement of filters (Oil filter, fuel filter, air cleaner), oils, lubricants, labour and consumables. This service plan is in line with the Toyota maintenance schedule developed specifically for Tanzania
- III. Any other items, which fall outside I, will not be covered by the service plan. They will be paid for by the customer to Toyota Tanzania according to the payment terms agreed with individual customers
- IV. The customer will not be eligible for any refund or rebate for any services missed as part of the service plan
- V. The warranty may be invalidated in case a service is either missed or overdue by the customer
- VI. The warranty may be invalidated in case the vehicle is serviced, repaired or worked on at any workshop other than Authorized Toyota Dealers or Branches
- VII. If any of the periodic maintenance service is carried out by any other garage other than an Authorized Toyota Dealer or Branch during the contract period no reimbursement will be made for the cost incurred
- VIII. Any costs for additional work that is not specifically covered under this agreement will be borne by the customer.
